

Services/Service Providers for Exhibitors

We would like to inform you that the exhibitor services offered by Messe Berlin's official service providers can only be found on the FRUIT LOGISTICA website under [Exhibitor Service / Exhibitor Service Manual / List of Order Forms](#).

Companies providing services not listed in the Exhibitor Service Manual, such as those offering for example *Internet, Catalogue and Online Network services*, have no relationship with Messe Berlin. Such companies do not have the approval of Messe Berlin to offer any services.
